B-HO No. 048/2026

October 19, 2026

Subject Invitation to Bondholder Meeting of Begistics Public Company Limited, Meeting No. 2/2026

To Bondholders of Begistics Public Company Limited, Series 2/2023, maturing in 2026, with the first postponement of the maturity date as resolved at the bondholders' meeting on April 30, 2025, the issuer has the right to redeem the bonds before maturity **("Bondholders")**

Reference Terms and Conditions Regarding the Rights and Obligations of the Issuer and Bondholders of "Bonds of Begistics Public Company Limited, Series 2/2023, maturing in 2026, with the first postponement of the maturity date as resolved at the Bondholders' Meeting on April 30, 2025, in which the issuer has the right to redeem the bonds before maturity" **("Terms and Conditions")**.

Attachments
1. Proxy Form
2. Identification Documents for Meeting Attendance (for both in-person attendance and proxy representation)
3. Procedures for Attending the Bondholder Meeting via Electronic Media, Voting, and Q&A
4. Opinion of the Bondholder Representative regarding the holding of the 2/2026 Bondholder Meeting for "Bonds of Beistics Public Company Limited, Series 2.2023, maturing in 2026, with the first postponement of the maturity date as resolved at the Bondholder Meeting on April 30, 2025, under which the issuer has the right to redeem the bonds before maturity."

The issuer of the debentures, Begistics Public Company Limited ("Begistics " or "the Issuer"), intends to convene a meeting of debenture holders of " Begistics Public Company Limited Debentures Series 2/2023, maturing in 2026, with the first postponement of the maturity date as resolved at the debenture holders' meeting on April 30, 2025, under which the Issuer has the right to redeem the debentures before maturity" ("Debentures" or "B255A") Series 2/2026, on 2 November 2026,at 2:00 PM, via electronic meeting (E-Meeting) only, in accordance with the Electronic Meeting Act B.E. 2020 and the Ministry of Digital Economy and Society's announcement on security standards for electronic meetings B.E. 2020, as well as other relevant laws and regulations. Begistics will broadcast live from the main meeting room is located at 193/143 Lake Ratchada Office Complex, 35th Floor (Zone D), Ratchadaphisek Road, Khlong Toei Subdistrict, Khlong Toei District, Bangkok 10110.

In this regard, the Company has closed the register to determine the list of debenture holders entitled to attend the Debenture Holders' Meeting No. 2/2026 (Record Date) on September 18, 2026. This date serves to identify the debenture holders eligible to attend and vote at the Debenture Holders' Meeting No. 1/2026 to consider matters in accordance with the following agenda:

Agenda for Information

1. Background and reasons for requesting a change to the terms of bond repayment.

As per Begistics' announcement, B255A bonds have been issued and offered for sale. These are registered, unsecured, non-subordinated bonds with a bondholder representative, and the issuer has the right to

บริษัท บี จิสติกส์ จำกัด (มหาชน) ทะเบียนบริษัท เลขที่ 0107545000357 / **Begistics Public Company Limited** Registration: 0107545000357

193/143, 35th Floor (Zone D), Lake Ratchada Office Complex, Ratchadaphisek Road, Khlong Toei Subdistrict, Khlong Toei District Bangkok 10110 Tel. (02) 096-4999 E-mail: contact@begistics.co.th

redeem the bonds before maturity. The value of the bonds issued and offered for sale is as follows: 92,100,000.00 Baht, with a fixed interest rate of 7.35% per annum, maturing on May 16, 2025.
Subsequently, the Bondholder Meeting No. 1/2025 of Begistics Public Company Limited, held on April 30, 2025, resolved to extend the maturity date of the bonds of Begistics Public Company Limited, Series 2/2023, maturing in 2025, which the issuer has the right to redeem before maturity (B255A). The resolution approved extending the maturity date of the bonds by another year and 6 months, amending the maturity date from May 16, 2025, to November 16, 2026, and approved the repayment of the principal amount of 92,100,000 Baht to bondholders in three installments.

Installment 1:	Due on November 16, 2025, the principal amount of the debentures, totaling 9,210,000 baht, will be repaid (10% of the debenture value at the time of issuance).
Installment 2:	Payment is due on May 16, 2026, for the repayment of the principal amount of 9,210,000 baht (10% of the bond value at the time of issuance).
Installment 3:	Due on November 16, 2026, the principal amount of the debentures will be repaid in the amount of 73,680,000 baht (80% of the debenture value at the time of issuance).

The Bondholders' Meeting No. 1/2025 resolved to change the interest rate of the bonds from the original 7.35 percent per annum to an interest rate of 7.50 percent per annum, effective from May 17, 2025, until (but excluding) November 16, 2026. The meeting also approved amendments to the bond terms and conditions, bond certificates, and related documents to reflect the change in the interest rate, and instructed the company to notify the Bondholders' Meeting resolutions and submit the amended terms and conditions to the Securities and Exchange Commission (“SEC”) and relevant agencies.

Begistics had total revenue for the three-month period ended June 30, 2026, of 66.40 million baht, a decrease of 154.56 million baht or 69.95 percent compared to the same period of the previous year. The main reason for the decrease in revenue was that in the three-month period ended June 30, 2026, there was no revenue from the sale of steel. This includes the absence of revenue from the sale of raw water.

At the same time, the logistics industry continues to face high competition from both domestic and international operators who have expanded their services to cover multimodal transport, including road, rail, and sea. This has resulted in more intense competition in terms of price and service conditions. Coupled with high operating costs and investment expenses to improve service efficiency, this makes doing business for operators in the industry more challenging.

In addition, the continuous entry of new operators into the market has resulted in more intense competition to retain existing customers and expand to new customers, which is another factor contributing to the decrease in the company's transportation service revenue compared to the same period of the previous year.

Despite facing these challenges, the company has continuously implemented cost and expense management measures, coupled with improving operational efficiency, maximizing resource utilization, developing service quality, and maintaining customer relationships to enhance competitiveness and seize future business opportunities.

Revenue

Begistics' total revenue for the years ended December 31, 2025 and 2024 was 573.28 million baht and 481.48 million baht, respectively. This represents an increase of 91.80 million baht, or 19.07%, compared to 2024, primarily due to the inclusion of steel sales revenue of 224.04 million baht in 2025 (which was absent in 2024).

Other revenue for the year ended December 31, 2025, totaled 73.67 million baht. This represents a decrease of 55.66 million baht, or 43.03%, compared to other revenue for the year ended December 31, 2025, primarily due to the inclusion of a 31.85 million baht gain from the sale of investments in associate companies in 2024, which was absent in 2025.

Expenses

Begistics had total expenses for the years ended December 31, 2025 and 2024 of 1,210.69 million baht and 539.71 million baht, respectively, an increase of 670.89 million baht, or 124.31 percent.

This is because in 2025, the service expenses were 439.26 million baht, an increase of 206.86 million baht, or 89.01 percent, due to the inclusion of a cost of steel sales of 220.86 million baht in 2025, which was absent in 2024.

In 2025, the expenses ended December 31, included a loss from goodwill impairment of 369.41 million baht, which was absent in 2024, as well as a loss from inventory revaluation of 69.49 million baht (Renewable Energy Certificates - RECs), which was absent in 2024. And a loss of 75.69 million baht from the sale of investments in subsidiaries in 2025.

Net Profit

Begistics reported a net loss of 636.58 million baht for the year ended December 31, 2025. This represents a net loss of 596.18 million baht, or 1,475.82%, compared to the same period in 2024. This increase is partly due to losses from impairment of goodwill of 369.41 million baht, losses from amortization of inventory of 69.49 million baht (Renewable Energy Certificates - RECs), and losses from the sale of investments in subsidiaries of 75.69 million baht.

Overview of Begistics' performance for the three-month period ended June 30, 2026.

Based on the performance overview of Begistics, total revenue for the three-month period ended June 30, 2026 and 2025 was 66.40 million baht and 220.96 million baht, respectively. This represents a decrease of 154.56 million baht, or 69.95%, compared to 2025, because in the three-month period ended June 30, 2026, there was no revenue from steel sales, nor any revenue from raw water sales. Revenue from services for the three-month period ended June 30, 2026 was 15.29 million baht, which increased by 6.89 million baht, or 82.14%, compared to service revenue for the year ended June 30, 2025. Construction revenue for the three-month period ended June 30, 2026 was 3.04 million baht, which decreased compared to construction revenue for the year ended June 30, 2025. As of June 30, 2025, the amount is 5.26 million baht, representing 63.34 percent.

In addition, Wave BCG Co., Ltd. ("Wave BCG"), the purchaser of RECs (Renewable Energy Certificates) from Green Energy Credit Pte, Ltd ("GEC") (a subsidiary of The Megawatt Co., Ltd. ("Megawatt") (a subsidiary of Begistics), has requested a postponement of the payment of 273.81 million baht, to be paid by June 30, 2025 (citing the reason that it did not anticipate the delay in the approval of the "Digital Token Project for Investment in Renewable Energy Certificates" (REC Token) from the Securities and Exchange Commission, which originally Begistics planned to use this amount to repay the aforementioned debentures on schedule).

Subsequently, on September 15, 2025, Green Energy Credit Pte, Ltd (“GEC”) (a subsidiary of The Megawatt Company Limited (“Megawatt”) (a subsidiary of Begistics)) terminated its Renewable Energy Certificates (“RECs”) purchase agreement with Wave BCG Company Limited (“WAVE BCG”), and on the same day, GEC entered into a temporary deposit agreement with WAVE BCG for the RECs. The deposit period was initially set to expire on June 30, 2026. Subsequently, on June 30, 2026, an amended memorandum of understanding was signed to extend the deposit period for 1,901,181.62 Renewable Energy Certificates (RECs) until December 31, 2026. The reason Megawatt had to deposit 1,901,181.62 RECs (which were the original RECs previously canceled under the purchase agreement with WAVE BCG) with WAVE BCG is because GEC is in the process of completing the necessary registration mechanisms and procedures with WAVE BCG to transfer ownership back to the account of Green Energy Credit Pte, Ltd. ("GEC") in the system.

Begistics classified the Renewable Energy Credit Certificates ("RECs") as inventory in the fourth quarter of 2025 and commissioned Actuarial Business Solutions Co., Ltd., an independent appraiser, to assess the fair value of these assets. The assessed fair value was then used... After deducting necessary selling expenses to determine the net realizable value, the assessment revealed that the expected net realizable price was lower than the book value of the inventory. Therefore, the company set aside a provision for inventory devaluation totaling 69.49 million baht in the consolidated income statement for the year 2025.

Source of Transactions in RECs:

The Megawatt Company Limited operates in the business of producing clean electricity, particularly solar energy. In addition to generating electricity for the grid, the electricity producer can register the amount of electricity produced with the International Renewable Energy Certification (I-REC) to obtain a Renewable Energy Certificate “REC”, certifying that the company produces clean electricity and can reduce the amount of carbon released into the world. These RECs can also be traded and exchanged in markets that support trading.

บริษัท บี จิสติกส์ จำกัด (มหาชน) ทะเบียนบริษัท เลขที่ 0107545000357 / **Begistics Public Company Limited** Registration: 0107545000357

The Megawatt Company Limited (“Megawatt”) gradually purchased RECs from NetZeroCarbon Company Limited (“NetZeroCarbon”) from August 28, 2023 to September 22, 2023, totaling 1,901,181.623 RECs at a price of 2.8 USD/RECs, for a total amount of 5,323,308.53 USD (188,723,256.06 THB). The objective was to expand Megawatt's business in trading Renewable Energy Certificates (RECs). NetZeroCarbon is not affiliated with Megawatt, Begistics, or Green Energy Credit Pte, Ltd (“GEC”).

On October 30, 2023, Megawatt signed an agreement to sell the said RECs to Wave BCG Company Limited (“Wave BCG”), receiving a deposit of 65 million THB, with the delivery of all RECs scheduled to take place within December 31, 2023

Subsequently, on November 9, 2023, Megawatt registered Green Energy Credit Pte. Ltd (“GEC”) in Singapore, a subsidiary of Megawatt, to support its carbon credit business as part of Megawatt's business expansion plan.

After the establishment of GEC, Megawatt negotiated with Wave BCG to change the contracting party to GEC, with RECs sales transactions to take place after Megawatt established GEC as follows:

On December 1, 2023, Megawatt entered into a RECs sales contract with GEC for 1,901,181.623 RECs at a price of 2.8 USD/RECs, totaling 5,323,308.53 USD (188,723,256.06 THB).

Subsequently, on December 4, 2023, GEC entered into a RECs sales contract with Wave BCG Co., Ltd. ("Wave BCG") for a total of 1,901,181.623 RECs at a price of 4.5 USD/RECs, totaling 8,555,317.29 USD. Wave BCG transferred a deposit of 65 million THB to Megawatt, but Megawatt did not transfer the 65 million THB deposit to GEC. Later, GEC delivered the RECs to Megawatt. Wave BCG on December 20, 2023.

Megawatt sold RECs to GEC on December 1, 2023. GEC is a subsidiary of Megawatt established in Singapore to conduct carbon credit trading business. Singapore was chosen because of its high supply and demand carbon credit trading market and its efficient and high-volume REC trading hub, as well as its favorable legislation.

Megawatt sold the RECs to GEC at cost price of 188,723,256.06 THB, which Megawatt had purchased from NetZeroCarbon. Megawatt also charged GEC 8,050,000 THB for management fees, which GEC has yet to pay.

Subsequently, on March 4, 2024, Wave BCG provided a Corporate Guarantee issued by the parent company. (A publicly listed company on the Stock Exchange of Thailand) of the "purchasing company" serves as collateral for the repayment of the said debt.

On November 26, 2024, Wave BCG paid GEC a total of 20 million baht for RECs, along with a request for a fixed exchange rate of 34.342 baht/USD. Subsequently, on March 3, 2025, Wave BCG issued a letter requesting a postponement of the payment of the remaining RECs amounting to 273,806,706.51 baht, requesting to pay the said amount by June 30, 2025.

บริษัท บี จิสติกส์ จำกัด (มหาชน) ทะเบียนบริษัท เลขที่ 0107545000357 / **Begistics Public Company Limited** Registration: 0107545000357

193/143, 35th Floor (Zone D), Lake Ratchada Office Complex, Ratchadaphisek Road, Khlong Toei Subdistrict, Khlong Toei District Bangkok 10110 Tel. (02) 096-4999 E-mail: contact@begistics.co.th

On September 15, 2025, GEC terminated its Renewable Energy Certificates ("RECs") purchase agreement with WAVE BCG, and later that same day, GEC entered into a temporary deposit agreement with WAVE BCG for the RECs until June 30, 2026. Subsequently, on June 30, 2026, an amended Memorandum of Understanding was signed to extend the deposit period for 1,901,181.62 RECs until December 31, 2026.

GEC sees business opportunities in the Renewable Energy Certificates (RECs) market due to the increasingly urgent and severe policies of various countries to address climate change. The global RECs market is therefore expected to continue growing. In Thailand, the RECs market, although still in its early stages, has high growth potential due to policies, regulations, and the driving force behind environmental conservation at both national and international levels, as well as the development of sustainable societies by businesses in the country and around the world.

(1) Increased demand for RECs in the market: Thailand aims to reduce greenhouse gas emissions, targeting carbon neutrality by 2050 and net-zero emissions by 2065, resulting in increased demand for renewable energy certificates (RECs).
(2) GEC is committed to developing renewable energy businesses and strategizing to become a leader in the clean energy and carbon credit market, enhancing credibility and sustainability as a partner.
(3) Opportunity for long-term cooperation: REC sales are the start of a long-term collaboration, benefiting MGW in terms of both revenue and business network expansion opportunities.

Megawatt has invested in RECs to support its Net Zero/ESG/Carbon Neutrality goals. Acquiring RECs offsets the use of electricity generated from fossil fuels, supporting clean energy producers and mitigating future regulatory risks in various countries, including Thailand. Having RECs prepares the company for future carbon auditing of its supply chain.

Begistics plans to repay its bond debt from the following sources:

(1) Cash flow from the pool villa project ("Pool villa") on land owned by B Asset Property Co., Ltd. (subsidiary) and B Pro Property Co., Ltd. (subsidiary) in Phuket Province, with a total land area of 27 rai 2 ngan 91.50 square wa, targeting foreigners residing in Phuket Province or foreign investors who desire luxurious and comfortable accommodations when residing in Phuket Province. Currently, the construction of the model Pool villa and the real estate sales office (Sale Gallery) is underway, and revenue will be gradually recognized from Q4/2026 onwards.

At the Board of Directors meeting No. 11/2024 of Begistics Public Company Limited, held on Wednesday, December 25, 2024, a resolution was passed to approve the company's investment in the construction of a pool villa project consisting of approximately 34 units, with a total value of 750,000,000.00 baht. The project will be built on land owned by B Asset Property Company Limited (a subsidiary) and B Pro Property Company Limited (a subsidiary) in Phuket, totaling 27 rai, 2 ngan, and 91.50 square wa.

Currently, construction of a model pool villa and the project's sales gallery is underway. Begistics plans to officially launch sales once the sales gallery and model villas are completed. Revenue from property transfers is expected to begin gradually from the fourth quarter of 2026 onwards.

(2) Cash flow from the sale of Begistics' assets, namely land which is currently in the process of being sold.

(2.1) Vacant land of 16 rai 1 ngan 46.0 square wa or 6,546.0 square wa, Tha Kham Subdistrict, Bang Pakong District, Chachoengsao Province, valued at approximately 81,830,000 baht (based on land valuation in 2025).

(2.2) Land with buildings, total area 4-0-9.0 rai or 1,609.0 square wah, No. 273/15 Village No. 6, Motorway parallel road. Bangkok-Pattaya Line (Highway 7) Km. 94+200, Surasak Subdistrict, Si Racha District, Chonburi Province Total value approximately 67,300,000 baht (according to land appraisal price in 2022. Currently, Begistics is not re-evaluating the land price.)

Regarding the mortgage registration of land in Chachoengsao as mentioned in the notes to the financial statements and the opportunity to use the proceeds from the land sale to repay debentures, as stated in the notes to the financial statements concerning the mortgage registration of Begistics' land in Chachoengsao Province (Bang Pakong District), Begistics Public Company Limited ("Begistics") wishes to clarify the status and related actions as follows:

Current Asset Management:

Currently, Begistics is utilizing the unused portion of the land by unlocking its asset value through leasing a portion of the space to generate recurring income and cash inflow for Begistics while awaiting the sale.

Land Sale and Debenture Repayment Plan:

Begistics has a policy of continuously seeking buyers for the said land plot through business partners and real estate brokers to offer it for sale to interested parties. Begistics has a clear plan that, upon completion of the land sale negotiations and receipt of the proceeds, Begistics will use the funds to repay its debenture obligations, which is one of the main channels for managing liquidity and reducing Begistics' debt burden.

Begistics has a vacant land plot totaling 16 rai, 1 ngan, 46.0 square wah (or 6,546 square wah) located in Tha Kham Subdistrict, Bang Pakong District, Chachoengsao Province, with an estimated value of approximately 81,830,000 baht (based on the 2025 land valuation).

Currently, this land plot is used as collateral for a loan of 30 million baht from a financial institution, due on April 30, 2027.

Begistics plans to sell this land plot. If the sale is successful, Begistics will use the proceeds as follows:

- To repay the 30 million baht loan to the financial institution to release the collateral.
- To use the remaining amount after repaying the loan to repay the debentures.

Begistics also owns a property consisting of land and buildings totaling 4 rai and 9.0 square wa (or 1,609.0 square wa) located at 273/15 Moo 6, Motorway Parallel Road Bangkok-Pattaya (Highway 7) Km. 94+200, Surasak Subdistrict, Sriracha District, Chonburi Province. The estimated

บริษัท บี จิสติกส์ จำกัด (มหาชน) ทะเบียนบริษัท เลขที่ 0107545000357 / **Begistics Public Company Limited** Registration: 0107545000357
เลขที่ 193/143 อาคารเลครัชดา ออฟฟิส คอมเพล็กซ์ ชั้น 35 (โซนดี) ถนนรัชดาภิเษก แขวงคลองเตย เขตคลองเตย กรุงเทพมหานคร 10110 โทร (02) 096-4999 E-mail: contact@begistics.co.th
193/143, 35th Floor (Zone D), Lake Ratchada Office Complex, Ratchadaphisek Road, Khlong Toei Subdistrict, Khlong Toei District Bangkok 10110 Tel. (02) 096-4999 E-mail: contact@begistics.co.th

total value is approximately 67,300,000 baht (based on the 2022 land valuation; Begistics has not yet conducted a new land valuation).

Currently, this property is used as collateral for a loan from a financial institution to The Megawatt Company Limited. As of June 30, 2026, the outstanding loan balance is 3,458,682 baht.

Begistics plans to sell this land plot. If the sale is successful, Begistics will use the proceeds as follows:

- Repay a loan of 3,458,682 baht to a financial institution to release the collateral.
- Use the remaining balance after repaying the financial institution to repay the debentures.

(3) The Megawatt Company Limited ("MGW") has solar panel installation projects with customers including industrial factories, educational institutions, private hospitals, and car showrooms, resulting in Megawatt having sufficient income to repay loans to Begistics.

In the past, MGW has continuously repaid its loan and reduced outstanding debt with Begistics according to the accounting period, as detailed below: In the first six months of 2026, an additional repayment of 14.65 million baht was made (including interest received and service fees for the accounting period). The reason for the outstanding short-term loan balance between the parties is that MGW needs it as working capital to support the project cycles in its electrical engineering and data center installation businesses. This requires the purchase of equipment and advance payments before delivery and disbursement from clients. Once the various projects are completed and payments are received, the cash flow from these operations will be used to gradually repay the loan and interest to Begistics.

Analysis of Debt Servicing Capability and Debt Structure (2023 – 2025)

An analysis of the financial statements of The Mega Watt Company Limited ("MGW") over the past three years (2023 – 2025) reveals that MGW has a strong financial structure and a high level of debt servicing capability. Key points are explained as follows:

1) Effective management and reduction of short-term revolving debt (Liquidity & Short-term Debt Management)

- Current liabilities are continuously decreasing: From 545.87 million baht in 2023, they are decreasing to 434.93 million baht in 2024 and further decreasing to only 320.36 million baht in 2025 (a decrease of 114.57 million baht or 26.34% from the previous year).
- Analysis: MGW was able to reduce its short-term liabilities by 225.51 million baht within 2 years (a total reduction of over 41.31% compared to 2023), reflecting effective liquidity management and continuous repayment of short-term debt. This significantly reduces liquidity risk and short-term interest expenses.

2) Long-term debt stability.

- In 2024, MGW's non-current liabilities increased to 119.53 million baht (from 0.92 million baht in 2023) to restructure debt in line with long-term investments.
- In 2025, non-current liabilities stood at 120.13 million baht, an increase of only 0.60 million baht (0.50%).
- Analysis: This demonstrates that in 2025, MGW will not incur any additional long-term debt and will be able to maintain its long-term obligations at a stable level.

3) The debt-to-equity ratio (D/E Ratio) is very low.

- MGW's D/E Ratio decreased from 0.24x in 2024 to just 0.19x in 2025 (and is lower compared to 0.23x in 2023).
- Although shareholders' equity decreased slightly from 2,325.23 million baht to 2,267.71 million baht in 2025 (a decrease of 2.47%), the rate of reduction in total debt (a decrease of 20.55%) was much faster, resulting in a significant improvement in the D/E Ratio.

บริษัท บี จิสติกส์ จำกัด (มหาชน) ทะเบียนบริษัท เลขที่ 0107545000357 / **Begistics Public Company Limited** Registration: 0107545000357
เลขที่ 193/143 อาคารเลครัชดา ออฟฟิส คอมเพล็กซ์ ชั้น 35 (โซนดี) ถนนรัชดาภิเษก แขวงคลองเตย เขตคลองเตย กรุงเทพมหานคร 10110 โทร (02) 096-4999 E-mail: contact@begistics.co.th
193/143, 35th Floor (Zone D), Lake Ratchada Office Complex, Ratchadaphisek Road, Khlong Toei Subdistrict, Khlong Toei District Bangkok 10110 Tel. (02) 096-4999 E-mail: contact@begistics.co.th

- Analysis: A D/E ratio of 0.19x reflects that MGW's shareholders' equity is approximately 5.15 times its total debt (net assets significantly higher than liabilities), representing a very low-risk capital structure (conservative leverage) and very low default risk.

Summary of Debt Repayment Ability (Executive Summary)

The Megawatt Company Limited has a very high creditworthiness and ability to repay debt in both the short and long term. This is confirmed by the company's continuous reduction of its revolving debt by 26.34% in 2025, coupled with a low D/E Ratio of only 0.19 times. This confirms that MGW has a strong capital base, is safe from financial risk, and has ample debt capacity if it wishes to expand its business in the future.

2. The terms and conditions for the new debenture repayment proposed for approval.

Begistics needs to convene a bondholder meeting to seek approval for changes to the repayment terms of the aforementioned bond issue. The new repayment terms proposed for approval at the Bondholder Meeting No. 1/2026 are as follows:

(1) Extend the maturity date of the debentures by another 2 years by amending the maturity date of the debentures from the original date of 16 November 2026 to 16 November 2028.

(2) The principal of the debentures will be repaid to the debenture holders in three installments, with the following payment dates:

(2.1) Due on November 16, 2027, a total amount of 10% of the outstanding debenture value will be repaid, totaling 7,368,000.00 baht in principal.

(2.2) Due on June 16, 2028, a total amount of 10% of the outstanding debenture value will be repaid, totaling 7,368,000.00 baht in principal.

(2.3) Due on November 16, 2028, a total of 80% of the outstanding bond value will be repaid, amounting to a total principal bond repayment of 58,944,000.00 baht.

(3) Adjust the interest rate of the bonds in the terms and conditions from the original 7.50 percent per year to a new interest rate of 7.75 percent per year for the extended period.

Summary table of the terms and conditions for the B255A debenture debt repayment proposed for approval.

3. Debt repayment plan under the new bond repayment terms.

Begistics has considered the new debenture repayment terms and believes that Begistics is feasible to repay the debentures within the specified timeframe, as Begistics plans to repay the debentures from the following sources:

(1) Cash flow from the pool villa project ("Pool villa") at the land owned by B Asset Property Co., Ltd. (subsidiary) and B Pro Property Co., Ltd. (subsidiary) in Phuket, totaling 27 rai, 2 ngan, and 91.50 square wa, the project targets expatriates residing in Phuket or foreign investors seeking luxurious and comfortable accommodations during their stay in the province. Currently, construction of a model pool villa and a sales gallery is underway, with revenue expected to be recognized gradually starting from Q4 2026 onwards.

At the Board of Directors meeting No. 11/2024 of Begistics Public Company Limited, held on Wednesday, December 25, 2024, a resolution was passed to approve the company's investment in the construction of a pool villa project consisting of approximately 34 units, with a total value of 750,000,000.00 baht. The project will be built on land owned by B Asset Property Company Limited (a subsidiary) and B Pro Property Company Limited (a subsidiary) in Phuket, totaling 27 rai, 2 ngan, and 91.50 square wa.

Currently, construction of a model pool villa and the project's sales gallery is underway. Begistics plans to officially launch sales once the sales gallery and model villas are completed. Revenue from property transfers is expected to begin gradually from the fourth quarter of 2026 onwards.

(2) Cash flow from the sale of assets of Begistics This includes land that is currently in the process of being sold.

(2.1) Vacant land of 16 rai 1 ngan 46.0 square wa or 6,546.0 square wa, Tha Kham Subdistrict, Bang Pakong District, Chachoengsao Province, valued at approximately 81,830,000 baht (based on land valuation in 2025).

(2.2) Land with buildings, total area 4-0-9.0 rai or 1,609.0 square wah, located at 273/15 Moo 6, Motorway Parallel Road Bangkok-Pattaya (Highway 7) Km. 94+200, Surasak Subdistrict, Sriracha District, Chonburi Province, with a total value of approximately 67,300,000 baht (based on the land valuation of 2022. Currently, Begistics is not re-evaluating the land price.).

บริษัท บี จิสติกส์ จำกัด (มหาชน) ทะเบียนบริษัท เลขที่ 0107545000357 / **Begistics Public Company Limited** Registration: 0107545000357

Regarding the mortgage registration of land in Chachoengsao as mentioned in the notes to the financial statements and the opportunity to use the proceeds from the land sale to repay debentures, as stated in the notes to the financial statements concerning the mortgage registration of Begistics' land in Chachoengsao Province (Bang Pakong District), Begistics Public Company Limited ("Begistics") wishes to clarify the status and related actions as follows:

Current Asset Management:

Currently, Begistics is utilizing the unused portion of the land by unlocking its asset value through leasing a portion of the space to generate recurring income and cash inflow for Begistics while awaiting the sale.

Land Sale and Debenture Repayment Plan:

Begistics has a policy of continuously seeking buyers for the said land plot through business partners and real estate brokers to offer it for sale to interested parties. Begistics has a clear plan that, upon completion of the land sale negotiations and receipt of the proceeds, Begistics will use the funds to repay its debenture obligations, which is one of the main channels for managing liquidity and reducing Begistics' debt burden.

Begistics has a vacant land plot totaling 16 rai, 1 ngan, 46.0 square wah (or 6,546 square wah) located in Tha Kham Subdistrict, Bang Pakong District, Chachoengsao Province, with an estimated value of approximately 81,830,000 baht (based on the 2025 land valuation).

Currently, this land plot is used as collateral for a loan of 30 million baht from a financial institution, due on April 30, 2027.

Begistics plans to sell this land plot. If the sale is successful, Begistics will use the proceeds as follows:

- To repay the 30 million baht loan to the financial institution to release the collateral.
- To use the remaining amount after repaying the loan to repay the debentures.

Begistics also owns a property consisting of land and buildings totaling 4 rai and 9.0 square wa (or 1,609.0 square wa) located at 273/15 Moo 6, Motorway Parallel Road Bangkok-Pattaya (Highway 7) Km. 94+200, Surasak Subdistrict, Sriracha District, Chonburi Province. The estimated total value is approximately 67,300,000 baht (based on the 2022 land valuation; Begistics has not yet conducted a new land valuation).

Currently, this property is used as collateral for a loan from a financial institution to The Megawatt Company Limited. As of June 30, 2026, the outstanding loan balance is 3,458,682 baht.

Begistics plans to sell this land plot. If the sale is successful, Begistics will use the proceeds as follows:

- Repay a loan of 3,458,682 baht to a financial institution to release the collateral.
- Use the remaining balance after repaying the financial institution to repay the debentures.

บริษัท บี จิสติกส์ จำกัด (มหาชน) ทะเบียนบริษัท เลขที่ 0107545000357 / **Begistics Public Company Limited** Registration: 0107545000357

(3) The Megawatt Company Limited (" MGW") has solar panel installation projects with customers including industrial factories, educational institutions, private hospitals, and car showrooms, resulting in Megawatt having sufficient income to repay loans to Begistics.

In the past, MGW has continuously repaid its loan and reduced outstanding debt with Begistics according to the accounting period, as detailed below: In the first six months of 2026, an additional repayment of 14.65 million baht was made (including interest received and service fees for the accounting period). The reason for the outstanding short-term loan balance between the parties is that MGW needs it as working capital to support the project cycles in its electrical engineering and data center installation businesses. This requires the purchase of equipment and advance payments before delivery and disbursement from clients. Once the various projects are completed and payments are received, the cash flow from these operations will be used to gradually repay the loan and interest to Begistics.

Revenue

The company's total revenue for the years ended December 31, 2025 and 2024 was 573.28 million baht and 481.48 million baht, respectively. This represents an increase of 91.80 million baht, or 19.07%, compared to 2024, primarily due to the inclusion of steel sales revenue of 224.04 million baht in 2025 (which was absent in 2024).

Other revenue for the year ended December 31, 2025, totaled 73.67 million baht. This represents a decrease of 55.66 million baht, or 43.03%, compared to other revenue for the year ended December 31, 2025, primarily due to the inclusion of a 31.85 million baht gain from the sale of investments in associate companies in 2024, which was absent in 2025.

บริษัท บี จิสติกส์ จำกัด (มหาชน) ทะเบียนบริษัท เลขที่ 0107545000357 / **Begistics Public Company Limited** Registration: 0107545000357
เลขที่ 193/143 อาคารเลครัชดา ออฟฟิส คอมเพล็กซ์ ชั้น 35 (โซนดี) ถนนรัชดาภิเษก แขวงคลองเตย เขตคลองเตย กรุงเทพมหานคร 10110 โทร (02) 096-4999 E-mail: contact@begistics.co.th

Expenses

The company had total expenses for the years ended December 31, 2025 and 2024 of 1,210.69 million baht and 539.71 million baht, respectively, representing an increase of 670.89 million baht, or 124.31%.
This is because in 2025, ending December 31, service expenses totaled 439.26 million baht, an increase of 206.86 million baht, or 89.01%, due to the inclusion of a cost of steel sales of 220.86 million baht in 2025, which was absent in 2024.
In 2025, ending December 31, there was a loss from impairment of goodwill of 369.41 million baht, which was absent in 2024, as well as a loss from revaluation of goods of 69.49 million baht (Renewable Energy Certificates - RECs), which was absent in 2024, and a loss from the sale of investments in subsidiaries of 75.69 million baht in 2025.

Net Profit

The company reported a net loss for the year 2025 ended December 31. The company had a net loss of 636.58 million baht, an increase of 596.18 million baht or 1,475.82% from 2024 ended December 31. This was partly due to losses from impairment of goodwill of 369.41 million baht, losses from revaluation of assets of 69.49 million baht (Renewable Energy Certificates), and losses from the sale of investments in subsidiaries of 75.69 million baht.

Overview of Begistics' performance for the three-month period ended June 30, 2026.

According to the performance overview of Begistics, total revenue for the three-month periods ended June 30, 2026 and 2025 was 66.40 million baht and 220.96 million baht, respectively. This represents a decrease of 154.56 million baht, or 69.95%, compared to 2025, because in the three-month period ended June 30, 2026, Begistics did not have any revenue from steel sales. This is due to Begistics restructuring its business operations, changing its steel sales business model from direct operation to investment through an associate company. In 2025, Begistics invested 17.15 million baht in CJM-B Synergy Co., Ltd., representing a 49% stake in the registered capital of 35.00 million baht. As a result, CJM-B Synergy Co., Ltd. is now an associate company. And as the primary entity responsible for the business of buying and selling steel, scrap steel, and substitute metals, which was previously operated by Begistics, Begistics no longer records revenue from steel sales as direct operating income (Revenue from Sales) in the income statement. Instead, it recognizes the performance of this business as "Share of Profit (Loss) from Investment in Associates" using the equity method.

In addition, there was no revenue from the sale of raw water. Revenue from services for the three-month period ended June 30, 2026, amounted to 15.29 million baht, which is 6.89 million baht or 82.14% higher than the revenue from services for the year ended June 30, 2025. Construction revenue for the three-month period ended June 30, 2026, amounted to 3.04 million baht, which is 5.26 million baht or 63.34% lower than the revenue from construction for the year ended June 30, 2025.

4. Overview of Begistics' cash flow.

Cash flow from operations

Begistics is currently developing a pool villa project on land owned by B Asset Property Co., Ltd. (a subsidiary) and B Pro Property Co., Ltd. (a subsidiary) in Phuket, totaling 27 rai, 2 ngan, and 91.50 square wah. The target market includes expats residing in Phuket or foreign investors seeking luxurious and comfortable accommodations in the province. Begistics expects to begin recognizing initial revenue from this project in 2026.

However, the company is currently in the process of selling the assets of Begistics, including land, which is currently under sale: a vacant land plot of 16 rai 1 ngan 46.0 square wah, or 6,546.0 square wah, in Tha Kham Subdistrict, Bang Pakong District, Chachoengsao Province, valued at approximately 81,830,000 baht (based on the 2025 land valuation); and land with buildings totaling 4-0-9.0 rai, or 1,609.0 square wah, located at 273/15 Moo 6, Bangkok-Pattaya Motorway Parallel Road (Highway 7) Km. 94+200, Surasak Subdistrict, Si Racha District, Chonburi Province, valued at approximately 67,300,000 baht (based on the 2022 land valuation). This also includes cash flow from the operations of The Megawatt Company Limited, which has solar panel installation projects with customers including industrial factories, educational institutions, private hospitals, and car showrooms. As a result, Megawatt has sufficient revenue to repay the loan to Begistics.

5. The business risks that may affect the debt repayment plan are as follows:

(1) Liquidity risk: A lack of financial liquidity in business operations resulting from inadequate cost control may result in insufficient cash flow to pay debts or other expenses.

(2) Counterparty risks. A counterparty may not comply with the terms of the contract, especially regarding payment within the specified timeframe. If a counterparty fails to pay on time or has a dispute regarding the refusal to pay, it may affect Begistics operations and ability to pay debts or other expenses.

บริษัท บี จิสติกส์ จำกัด (มหาชน) ทะเบียนบริษัท เลขที่ 0107545000357 / **Begistics Public Company Limited** Registration: 0107545000357
เลขที่ 193/143 อาคารเลครัชดา ออฟฟิส คอมเพล็กซ์ ชั้น 35 (โซนดี) ถนนรัชดาภิเษก แขวงคลองเตย เขตคลองเตย กรุงเทพมหานคร 10110 โทร (02) 096-4999 E-mail: contact@begistics.co.th
193/143, 35th Floor (Zone D), Lake Ratchada Office Complex, Ratchadaphisek Road, Khlong Toei Subdistrict, Khlong Toei District Bangkok 10110 Tel. (02) 096-4999 E-mail: contact@begistics.co.th

(3) Risks from natural disasters that may affect the Megawatt solar power plant in Bamnet Narong District, Chaiyaphum Province, which produces and sells electricity to the Provincial Electricity Authority as a continuous income. However, throughout the operation of the power plant since it began operations in 2013, no natural disasters such as floods have been encountered. This is a result of the project having an efficient irrigation system in place, which helps to drain water well during the rainy season.

However, given the potential internal and external risk factors, Begistics has prepared to address the aforementioned risks and future risks. Begistics is confident that its business has sufficient potential to generate strong financial performance, resulting in adequate cash flow to repay the debentures to debenture holders according to the terms of the repayment proposed by Begistics at this meeting.

Regarding additional inquiries from the Securities and Exchange Commission (SEC): As the debenture holders' meeting resolved not to approve the two-year extension of the debenture maturity date, the Company wishes to provide further clarification as follows:

1. **Impact on loan repayments to financial institutions: Please explain whether a default on corporate bonds would entitle the bank to demand immediate repayment of the loan. If such a demand for immediate repayment were made in accordance with the loan agreement terms, what measures does the company have in place to manage or mitigate the associated risks and impacts?**

   If the Company fails to make payments on its debentures as scheduled, beyond the consequences stipulated in the terms and conditions of the debentures, the situation could also impact other loan obligations. Certain loan agreements contain cross-default clauses provisions triggered by a default on obligations to other creditors which may grant lenders the right to demand early repayment, thereby increasing the Company's financing burden.

   The Company has held preliminary discussions with the relevant lenders to explore potential contingency measures. These discussions have not yet reached a conclusion, and the rights of the lenders remain governed by the terms of their respective agreements. The company will continue these discussions to seek waivers or adjustments to loan terms where necessary, while simultaneously accelerating the disposal of assets and the collection of accounts receivable to generate funds for debt repayment. The successful execution and the timeline for these measures remain subject to uncertainty.

2. **Other impacts on the Company financial position and operating results arising from the failure to obtain approval for this debenture issuance, as well as the measures the company has in place to manage or mitigate such risks and impacts.**

   The failure to obtain approval means the Company remains obligated to secure funds to repay its debentures in accordance with the original terms and schedule. This may impact the Company's liquidity and working capital for business operations an inability to meet debt obligations on time could lead to increased financial costs and related expenses, while also potentially undermining the confidence of creditors and business partners, as well as the Company's future ability to secure financing.

บริษัท บี จิสติกส์ จำกัด (มหาชน) ทะเบียนบริษัท เลขที่ 0107545000357 / **Begistics Public Company Limited** Registration: 0107545000357

193/143, 35th Floor (Zone D), Lake Ratchada Office Complex, Ratchadaphisek Road, Khlong Toei Subdistrict, Khlong Toei District Bangkok 10110 Tel. (02) 096-4999 E-mail: contact@begistics.co.th

The Company plans to accelerate asset disposals, expedite the collection of accounts receivable, control expenditures, and closely monitor cash inflows and outflows to prioritize the allocation of funds for business operations and debt repayment. It should be noted that the proceeds from asset disposals available for debenture repayment will be the net amount remaining after deducting obligations related to collateral, taxes, and other expenses; the timing of when these funds are actually received must also be taken into account.

Ultimately, the Company's ability to repay the debentures according to the original schedule depends on the net proceeds and the timing of receipts from these measures both of which remain uncertain. Consequently, the Company cannot guarantee that sufficient funds will be secured by the respective due dates. The company will continue to provide updates regarding any significant developments.

Based on the details above, Begistics Public Company Limited ("Begistics" or "the Issuer") intends to convene a meeting of bondholders for Begistics Public Company Limited Bonds Series 2/2026, specifically the "Begistics Public Company Limited Bonds Series 2/2023 maturing in 2026, with the first postponement of the maturity date as resolved at the bondholder meeting on April 30, 2025, which gives the Issuer the right to redeem the bonds before maturity" ("B255A") ("Bonds"), on 2 November 2026, at 2:00 PM, solely via electronic meeting (E-Meeting), in accordance with the Electronic Meeting Act B.E. 2020 and the Ministry of Digital Economy and Society's Announcement on Security Standards for Electronic Meetings B.E. 2020, as well as other relevant laws and regulations. Related to this, Begistics is broadcasting live from the meeting room of Begistics Public Company Limited, located at 193/143 Lake Ratchada Office Complex, 35th Floor (Zone D), Ratchadaphisek Road, Khlong Toei Subdistrict, Khlong Toei District, Bangkok 10110.

In this regard, the Company has closed the register to determine the list of debenture holders entitled to attend the Debenture Holders' Meeting No. 2/2026 (Record Date) on September 18, 2026. This date serves to identify the debenture holders eligible to attend and vote at the Debenture Holders' Meeting No. 1/2026 to consider various matters in accordance with the meeting agenda, as follows:

Meeting Agenda	
Agenda 1	**Consider and approve a waiver regarding the Company's inability to (1) close the debenture holder register for a period of 14 days prior to the debenture holders' meeting, and (2) ensure that the debenture registrar notifies the Thai Bond Market Association at least 7 days before the first day of the register closure; furthermore, agree that such inability shall not be deemed an event of default under Clause 11.1(c). Additionally, consider and approve the use of the list of debenture holders as of the register closure date of September 18, 2026 which served to determine the debenture holders entitled to attend and vote at the Debenture Holders' Meeting No. 1/2026 as the basis for determining the debenture holders entitled to attend and vote at this Debenture Holders' Meeting No. 2/2026.**

Facts and reasons

As the debenture maturity date is 16 November 2026 (the "Maturity Date"), the Company needs to convene a debentureholders' meeting to seek approval for amending the Maturity Date prior to its scheduled arrival.

บริษัท บี จิสติกส์ จำกัด (มหาชน) ทะเบียนบริษัท เลขที่ 0107545000357 / **Begistics Public Company Limited** Registration: 0107545000357
เลขที่ 193/143 อาคารเลครัชดา ออฟฟิส คอมเพล็กซ์ ชั้น 35 (โซนดี) ถนนรัชดาภิเษก แขวงคลองเตย เขตคลองเตย กรุงเทพมหานคร 10110 โทร (02) 096-4999 E-mail: contact@begistics.co.th
193/143, 35th Floor (Zone D), Lake Ratchada Office Complex, Ratchadaphisek Road, Khlong Toei Subdistrict, Khlong Toei District Bangkok 10110 Tel. (02) 096-4999 E-mail: contact@begistics.co.th

Consequently, the Company faces an urgent need to hold Debentureholders' Meeting No. 2/2026 on 2 November 2026. This timeline prevents the Company from closing the debenture register for the 14-day period prior to the meeting as required to determine the list of debentureholders eligible to attend Meeting No. 2/2026 within the available timeframe. Furthermore, the Company is unable to arrange for the debenture registrar to provide the requisite advance notice to the Thai Bond Market Association at least seven days prior to the first day of the register closure, as stipulated in Clause 3.5 (a) of the Terms and Conditions.

The Company therefore proposes that the debenture holders' meeting consider and approve the use of the list of debenture holders as of the book closing date of September 18, 2026 which served as the record date for determining the debenture holders entitled to attend and vote at the Debenture Holders' Meeting No. 1/2026 as the record date for determining the debenture holders entitled to attend and vote at this Debenture Holders' Meeting No. 2/2026. Furthermore, the Company requests that the debenture holders' meeting pass a resolution approving that the aforementioned action, which is inconsistent with the terms and conditions of the debentures, shall not constitute an event of default under Clause 11.1 (c) of the terms and conditions of the debentures.

Quorum

For this agenda item, a quorum shall be constituted by the attendance of at least two debenture holders holding, in aggregate, not less than 25 percent of the total outstanding debentures. Each debenture holder shall have voting rights equivalent to the number of debentures held, in accordance with the rules governing debenture holder meetings set out in Clause 3.1 of the Conditions of Rights.

Voting

A resolution on this agenda item requires approval by a majority vote of not less than 50 percent of the total votes of the debenture holders present and voting at the meeting (excluding abstentions from the vote count). The resolution approved at this debenture holders' meeting shall be effective and binding upon all debenture holders holding debentures under the Terms and Conditions, taking effect on the date the resolution is passed, in accordance with the rules governing debenture holders' meetings set out in Clause 6.2 of the Terms and Conditions.

Agenda 2	**Consider and approve the extension of the debenture maturity date by two years changing the maturity date from 16 November 2026 to 16 November 2028 as well as the installment repayment of the debenture principal to debenture holders; and consider and approve amendments to the Terms and Conditions, debenture certificates, debenture name, and related documents to align with the aforementioned changes.**

Facts and reasons

1. Request to extend the redemption period of bond B255A by another 2 years.

The Company has continuously implemented measures to manage costs and expenses while simultaneously enhancing operational efficiency, optimizing resource utilization, improving service quality, and maintaining customer relationships to boost competitiveness and capitalize on future business opportunities. Although the Company's fund utilization plan prioritizes the repayment of debentures, the

บริษัท บี จิสติกส์ จำกัด (มหาชน) ทะเบียนบริษัท เลขที่ 0107545000357 / **Begistics Public Company Limited** Registration: 0107545000357
เลขที่ 193/143 อาคารเลครัชดา ออฟฟิส คอมเพล็กซ์ ชั้น 35 (โซนดี) ถนนรัชดาภิเษก แขวงคลองเตย เขตคลองเตย กรุงเทพมหานคร 10110 โทร (02) 096-4999 E-mail: contact@begistics.co.th
193/143, 35th Floor (Zone D), Lake Ratchada Office Complex, Ratchadaphisek Road, Khlong Toei Subdistrict, Khlong Toei District Bangkok 10110 Tel. (02) 096-4999 E-mail: contact@begistics.co.th

execution process requires time. Therefore, to mitigate risks arising from factors beyond the Company's control such as potential shortfalls in funds or delays in receiving proceeds from various revenue sources the Company must consider contingencies. These revenue sources include cash flow from pool villa projects, proceeds from asset sales, and revenue from solar panel installation projects (undertaken by the subsidiary, The Megawatt Co., Ltd., for clients such as industrial factories, educational institutions, private hospitals, and car showrooms) in the event that such funds are not received in time to meet the debenture repayment schedule.

Based on the facts and reasons outlined in the aforementioned agenda item for information, Begistics deems it necessary to propose to the debenture holders' meeting the approval of a two-year extension to the debenture maturity date changing it from 16 November 2026 to 16 November 2028. Additionally, Begistics proposes an increase in the debenture interest rate for the extended period (from 17 November 2026 up to, but excluding, 16 November 2028) from the original 7.50% per annum to a new rate of 7.75% per annum; this proposal will be submitted for the meeting's approval under Agenda Item 3. Concurrently, the wording in the Terms and Conditions, debenture certificates, and related documents will be amended to reflect this interest rate adjustment, with details as follows:

The amendment of the debenture terms and conditions to extend the maturity date by two years from the original maturity date thereby enabling the Company to execute its plan to secure funding for the repayment of debentures to all debenture holders is detailed as follows:

Original Redemption Date	Redemption Date (Proposed Amendment)
16 November 2026	November 16, 2028

Furthermore, the aforementioned extension of the term will affect the name of the debentures as specified in the Terms and Conditions. Therefore, the Company proposes that the meeting consider and approve the amendment of the Terms and Conditions, the debenture certificates, and other relevant documents to align with the revised maturity date, by amending the name of the debentures as follows:

Original Name	Revised to
Debentures of Begistics Public Company Limited, Series 2/2023, maturing in 2026, with a first postponement of the maturity date pursuant to the resolution of the debenture holders' meeting setting the new maturity date to April 30, 2028 whereby the issuer retains the right to redeem the debentures prior to maturity.	Debentures of Begistics Public Company Limited, Series 2/2023, maturing in 2028, with the maturity date postponed (2nd postponement) pursuant to the resolution of the debenture holders' meeting held on **2 November 2026**; the issuer reserves the right to redeem the debentures prior to the maturity date.

2. Requesting installment repayment of the principal amount of debentures to debenture holders.
As Begistics has requested a 2-year extension of the bond maturity date to align with its bond repayment plan and for the benefit of bondholders, Begistics hereby proposes that the bondholder meeting consider and approve the following principal repayment installments:

บริษัท บี จิสติกส์ จำกัด (มหาชน) ทะเบียนบริษัท เลขที่ 0107545000357 / **Begistics Public Company Limited** Registration: 0107545000357

Installment	Payment due date	Principal amount Bond repayment (Baht)	Percentage of the outstanding principal amount of the debentures.	Outstanding principal balance of debentures (Baht)
1	November 16, 2027	7,368,000.00	10	66,312,000.00
2	November 16, 2028	7,368,000.00	10	58,944,000.00
3	November 16, 2028 (Redemption date)	58,944,000.00	80	0.00
Total		**73,680,000.00**	**100**	**-**

The principal repayment of the debentures as detailed above shall not be considered a pre-maturity redemption under Clause 10.4 of the Terms and Conditions, and such clause shall not apply to this principal repayment to debenture holders.

In the event that Begistics has sufficient cash flow, Begistics may exercise the right to redeem all or part of the debentures before the maturity date or before the due date of each installment of the debentures, whether in whole or in part. However, the principal amount of the debentures to be repaid in each installment must not be less than the amount specified above, unless the issuer has exercised the right to redeem the debentures before the maturity date, resulting in the principal amount of the debentures to be repaid in the upcoming installment being less than the amount specified. In such a case, the issuer will repay the remaining principal amount in full on the due date of that installment. Begistics will comply with the conditions for exercising the right to redeem the debentures before the maturity date as stipulated in the Terms and Conditions.

Furthermore, we propose that the debenture holders' meeting consider and approve the amendment of the text in the Terms and Conditions, the debenture certificate,

and related documents to reflect such amendments. We propose the cancellation of the text in Clause 10.1 of the original Terms and Conditions. And please use the following new text instead.

Original text

10. Redemption and repurchase of debentures.

10.1 "The bond issuer will redeem the bonds by repaying the entire principal amount and all interest payable to the bondholders, as detailed below."

Installment 1 Due on November 16, 2025, the principal amount of the debentures will be repaid in the amount of 9,210,000.00 THB (10% of the debenture value at the time of issuance).

Installment 2 Due on May 16, 2026, the principal amount of the debentures will be repaid in the amount of 9,210,000.00 THB (10% of the debenture value at the time of issuance).

บริษัท บี จิสติกส์ จำกัด (มหาชน) ทะเบียนบริษัท เลขที่ 0107545000357 / **Begistics Public Company Limited** Registration: 0107545000357
เลขที่ 193/143 อาคารเลครัชดา ออฟฟิส คอมเพล็กซ์ ชั้น 35 (โซนดี) ถนนรัชดาภิเษก แขวงคลองเตย เขตคลองเตย กรุงเทพมหานคร 10110 โทร (02) 096-4999 E-mail: contact@begistics.co.th

Installment 3 Due on November 16, 2026, the principal amount of the debentures will be repaid in the amount of 73,680,000.00 THB (80% of the debenture value at the time of issuance).

If the bond redemption date does not fall on a business day, the payment date shall be postponed to the next business day.

In the event that Begistics has sufficient cash flow, Begistics may exercise the right to redeem all or part of the bonds before the redemption date or before the date of the bond installment payment, whether in whole or in part. However, the principal amount of the bonds to be repaid in each installment must not be less than the amount specified above, unless the issuer has exercised the right to redeem the bonds before the redemption date, resulting in the principal amount of the bonds to be repaid in the upcoming installment being less than the amount specified. In such a case, the issuer will repay the remaining principal amount of the bonds in full on the due date of that installment. The company will comply with the conditions for exercising the right to redeem the bonds before the redemption date as stipulated in the bond terms and conditions.

Proposed revised text

10. Redemption and repurchase of debentures.

10.1 "The bond issuer will redeem the bonds by repaying the entire principal amount and all interest payable to the bondholders, as detailed below."

Installment 1 Due on November 16, 2027, the principal amount of the debentures will be repaid in the amount of 7,368,000.00 THB (10% of the outstanding bond value.).

Installment 2 Due on November 16, 2028, the principal amount of the debentures will be repaid in the amount of 7,368,000.00 THB (10% of the outstanding bond value.).

Installment 3 Due on November 16, 2028, the principal amount of the debentures will be repaid in the amount of 58,944,000.00 THB (80% of the outstanding bond value.).

If the bond redemption date does not fall on a business day, the payment date shall be postponed to the next business day.

In the event that Begistics has sufficient cash flow, Begistics may exercise the right to redeem all or part of the bonds before the redemption date or before the date of the bond installment payment, whether in whole or in part. However, the principal amount of the bonds to be repaid in each installment must not be less than the amount specified above, unless the issuer has exercised the right to redeem the bonds before the redemption date, resulting in the principal amount of the bonds to be repaid in the upcoming installment being less than the amount specified. In such a case, the issuer will repay the remaining principal amount of the bonds in full on the due date of that installment. The company will comply with the conditions for exercising the right to redeem the bonds before the redemption date as stipulated in the bond terms and conditions.

193/143, 35th Floor (Zone D), Lake Ratchada Office Complex, Ratchadaphisek Road, Khlong Toei Subdistrict, Khlong Toei District Bangkok 10110 Tel. (02) 096-4999 E-mail: contact@begistics.co.th

Upon approval by the meeting, the Company will proceed to amend the terms and conditions, the debenture certificates, and any other related documents (if any).

Quorum

For this agenda item, a quorum shall be constituted by the attendance of at least two debenture holders holding, in aggregate, not less than 66 percent of the total outstanding debentures. Each debenture holder shall have voting rights equivalent to the number of debentures held, in accordance with the rules governing debenture holder meetings set out in Clause 3.3 of the Conditions of Rights.

Voting

This agenda item requires approval by a vote of not less than 75% of the total votes of the bondholders attending and voting at the meeting (excluding abstentions). The approval from this upcoming bondholder meeting will be binding on all bondholders holding bonds under the terms and conditions and will be effective on the date of the meeting. In the event that the meeting approves the aforementioned matter, the meeting shall instruct Begistics to notify the Securities and Exchange Commission ("SEC") and relevant agencies of the resolution and to submit the amended terms and conditions as mentioned above.

Conditions for Voting

In the event that the debenture holders' meeting resolves not to approve Agenda Item 2, the Company will not submit Agenda Item 3 to the meeting for approval.

Agenda 3	**Consider approving a change in the interest rate of the debentures from the current 7.50% per annum to a new interest rate of 7.75% per annum, effective from November 17, 2026, until (excluding) November 16, 2028. Also consider approving amendments to the terms and conditions, debenture certificate, and related documents to reflect the change in the debenture interest rate.**

Facts and reasons

Following the request to extend the maturity date of the debentures in the aforementioned Agenda Item 1, for the benefit of the debenture holders, Begistics deems it appropriate to propose an increase in the debenture interest rate as specified in the terms and conditions for the extended period (from November 17, 2026, until (but excluding) November 16, 2028) from the original interest rate of 7.50% per annum to a new debenture interest rate of 7.75% per annum. Interest calculation at the new interest rate will commence from (and include) November 17, 2026, in accordance with the rules and procedures stipulated in the terms and conditions. Furthermore, Begistics proposes that the debenture holders' meeting consider and approve amendments to the terms and conditions, the debenture certificate, and related documents to reflect the change in the debenture interest rate. It is proposed that clause 2.1 of the original terms and conditions be cancelled and replaced with the following new text.

บริษัท บี จิสติกส์ จำกัด (มหาชน) ทะเบียนบริษัท เลขที่ 0107545000357 / **Begistics Public Company Limited** Registration: 0107545000357

Original text	Revised
2. Type of debenture, par value, interest rate, and maturity.	2. Type of debenture, par value, interest rate, and maturity.
2.1 The debentures are registered, unsubordinated, and unsecured, with a debenture holders' representative and an issuer's call option. They bear a fixed interest rate of 7.35% (seven point three five percent) per annum from the issuance date up to and including 16 May 2025, and a fixed interest rate of 7.50% (seven point five zero percent) per annum from 17 May 2025 up to, but excluding, 16 November 2026. The debentures have a tenor of 3 (three) years and 6 (six) months from the issuance date.	2.1 The debentures are registered, unsubordinated, and unsecured debentures with a debenture holders' representative, and the issuer has the right to redeem the debentures prior to maturity. They bear a fixed interest rate of 7.50% (seven point five zero percent) per annum from the issuance date until (and including) 16 November 2026, and the fixed interest rate adjusts to 7.75% (seven point seven five percent) per annum from 17 November 2026 until (but excluding) 16 November 2028. The debentures have a tenor of 5 (five) years and 6 (six) months from the issuance date.

Upon approval by the meeting, the Company will proceed to amend the Terms and Conditions, the debenture certificates, and any other related documents (if any).

Quorum

For this agenda item, a quorum shall be constituted by the attendance of at least two debenture holders holding, in aggregate, not less than 66 percent of the total outstanding debentures. Each debenture holder shall have voting rights equivalent to the number of debentures they hold, in accordance with the rules governing debenture holders' meetings as set out in Clause 3.3 of the attachment to the Terms and Conditions.

Voting

This agenda item requires approval by a vote of not less than 75% of the total votes of the bondholders attending and voting at the meeting (excluding abstentions). The approval passed at this upcoming bondholder meeting will be binding on all bondholders holding bonds under the terms and conditions and will be effective on the date of the meeting. In the event that the meeting approves this matter, the meeting shall instruct Begistics to notify the Securities and Exchange Commission ("SEC") and relevant agencies of the resolution and to submit the aforementioned amended terms and conditions.

Agenda Item 4 Consider other factors (if any).

A quorum for a meeting of bondholders to consider and vote on matters as set out in Section 6.4 of Document No. 1 of the Bondholders' Terms and Conditions shall be met by the participation of at least two bondholders holding a combined total of not less than 66 (sixty-six) percent of all outstanding bonds. Voting at the meeting of bondholders shall be conducted according to the method determined by the Chairman of the meeting. Each bondholder shall have a number of votes equal to the number of bonds held, with 1 (one) unit of bonds being considered as 1 (one) vote. In the event of a tie vote, the Chairman of the meeting shall have an additional deciding vote beyond the votes the Chairman may have in his or

her capacity as a bondholder or proxy. The rules for holding the meeting of bondholders shall be as set out in the Annex to the Bondholders' Terms and Conditions.

In this regard, debenture holders may attend the Meeting of Debenture Holders No. 2/2026 (Series B255A) via electronic means only either in person or by appointing a proxy (other than the Debenture Holders' Representative) by following the procedures for the electronic meeting system between October 26 and October 29, 2026, as detailed in Enclosure 3.

In the event that bondholders authorize another person, or Dao Securities (Thailand) Public Company Limited (as the bondholder's representative),
please complete and sign the proxy form, which contains the details as per Attachment 1 , and attach the supporting documents as specified in Attachment 2. Please return it in advance during business hours, from 9:00 AM to 4:00 PM, by October 29, 2026, to: Legal Department, Dao Securities (Thailand) Public Company Limited, 87/2 CRC Tower, 39th Floor, All Seasons Place, Wireless Road, Lumpini, Pathumwan, Bangkok 10330, or Bond Registrar, Bangkok Bank Public Company Limited, 333 Silom Road, Silom, Bang Rak, Bangkok 10500. If any bondholder wishes to inquire for further information, please contact us. For inquiries, please contact Begistics staff at 02 096 4999 during business hours, 9:00 AM to 4:00 PM. Alternatively, bondholders can submit questions in advance by emailing Legal@daol.co.th or ir_investment@begistics.co.th by October 29, 2026. All bondholders are cordially invited to attend the meeting on the date and time mentioned above.

Sincerely,
Begistics Public Company Limited

(Mr. Panya Boonyapiwat and Ms. Suttirat Leeswadtrakul)

holding a total of..... units. I hereby appoint

☐ 1. DAOL Securities (Thailand) Public Company Limited (as the Bondholder Representative) or

☐ 2. Name.....
Address.....
.....

((If you wish for Dao Securities (Thailand) Public Company Limited (as the bondholder representative) to be your proxy, please mark item 1 with an X. If you wish for another person (other than the bondholder representative) to be your proxy, please mark with an X and fill in the proxy information in item 2 Please send **this to the Legal Department, Dao Securities (Thailand) Public Company Limited, 87/2 CRC Tower, 39th Floor, All Seasons Place, Wireless Road, Lumpini, Pathumwan, Bangkok 10330, Thailand, or the Bond Registrar, Bangkok Bank Public Company Limited, 333 Silom Road, Silom, Bang Rak, Bangkok 10500, Thailand**, by October 20, 2026.)

One person, or any one person, is authorized to act as my proxy to attend and vote on my behalf at the Bondholder Meeting No. 2/2026, to be held **on November 2, 2026. Registration for attending the meeting opens at 12:00 PM and the meeting begins at 2:00 PM via electronic meeting (E-Meeting)**. The company will broadcast live from the main meeting room at 193/143, Lake Ratchada Office Complex, 35th Floor (Zone D), Ratchadaphisek Road, Khlong Toei Subdistrict, Khlong Toei District, Bangkok 10110. This includes any rescheduled or postponed Bondholder Meeting on the aforementioned agenda. I hereby authorize my proxy to attend and vote on my behalf at this Bondholder Meeting No. 1/2026 (including any postponed meetings) for the entire amount of bonds I hold, with the proxy casting their vote according to my wishes.

Agenda 1 **Consider and approve a waiver regarding the Company's inability to (1) close the debenture holder register for a period of 14 days prior to the debenture holders' meeting, and (2) ensure that the debenture registrar notifies the Thai Bond Market Association at least 7 days before the first day of the register closure; furthermore, agree that such inability shall not be deemed an event of default under Clause 11.1(c). Additionally, consider and approve the use of the list of debenture holders as of the register closure date of September 18, 2026 which served to determine the debenture holders entitled to attend and vote at the Debenture Holders' Meeting No. 1/2026 as the basis for determining the debenture holders entitled to attend and vote at this Debenture Holders' Meeting No. 2/2026.**

☐ Approve ☐ Disapprove ☐ Abstain

Agenda 2 **Consider approving an extension of the bond maturity date by 2 years, amending the maturity date from November 16, 2026, to November 16, 2028. Also consider approving the installment repayment of the bond principal to bondholders, and consider approving amendments to the bond terms and conditions, bond certificate, bond name, and related documents to reflect these changes.**

☐ Approve ☐ Disapprove ☐ Abstain

Agenda 3 **Consider approving a change in the interest rate of the debentures from the current 7.50% per annum to 7.75% per annum, effective from November 17, 2026, until (excluding) November 16, 2028. Also consider approving amendments to the terms and conditions, debenture certificate, and related documents to reflect the change in the debenture interest rate.**

☐ Approve ☐ Disapprove ☐ Abstain

Agenda 4 **Others (If has)**

☐ Approve ☐ Disapprove ☐ Abstain

In the event that I have not specified my voting preference for any agenda item, or have specified it unclearly, or in the event that the meeting considers or votes on any matter other than those specified above, including any amendments, changes, or additions to the facts, the proxy holder has the right to consider and vote on my behalf in all respects as they deem appropriate.

Any action taken by the proxy holder at that meeting, except where the proxy holder does not vote as I have specified in the proxy form, shall be deemed as if I had performed the action myself in all respects.

Note: Please attach a certified true copy of the ID card of the grantor along with this proxy form to be returned to the Bondholder Representative or the Bond Registrar. If the grantor is a legal entity, please attach a certified true copy of the company registration certificate along with a certified true copy of the ID card of the authorized director.

Documents Required for Proxy Appointment

1. Individual Appointing a Proxy:

In the event that a bondholder appoints a proxy to attend the meeting on their behalf via electronic media:

(1) A proxy form as attached to the notice of meeting, completed accurately and completely, with the signatures of both the grantor and the proxy, and with the required stamp duty affixed.

(2) A copy of the grantor's valid government-issued identification document, such as a national ID card, government official ID card, driver's license, or passport. In case of a change of name or surname, please attach supporting documentation. The copy must be signed and certified as a true copy by the grantor.

(3) A copy of the proxy's valid government-issued identification document, such as a national ID card, government official ID card, driver's license, or passport. In case of a change of name or surname, please attach supporting documentation. The copy must be signed and certified as a true copy by the proxy.

2. Legal Entity Appointing a Proxy:

In the event that a legal entity appoints a proxy to attend the meeting on its behalf via electronic:

(1) A proxy form as attached to the notice of meeting, completed accurately and completely, with the signatures of both the grantor and the proxy, and with the required stamp duty affixed.

(2) A copy of the legal entity's certificate of incorporation, issued no more than 6 months prior to the date of the Bondholders' Meeting, certified as a true copy by the legal entity's representative (director) authorized to sign on behalf of the legal entity.

(3) A copy of the legal entity representative's (director's) valid government-issued identification document, such as a national ID card, government official ID card, driver's license, or passport. In case of a change of name or surname, please attach supporting documentation. The copy must be signed and certified as a true copy.

(4) A copy of the proxy's identification document, as in the case of an individual as described above.

3. Non-Thai Citizens or Foreign-Registered Legal Entities:

In the event that the documents or evidence mentioned above are not in Thai or English, the bondholder must provide an English translation of the document, signed and certified by the bondholder or by the person authorized to sign on behalf of the legal entity (in the case of a legal entity).

Enclosure 3

Instructions for E-Meeting Participation: Granting a Proxy

Bondholders or their proxies wishing to participate in the meeting electronically must submit the required identity verification documents to the Company no later than October 29, 2026. Documents should be sent to: Legal Department, Dao Securities (Thailand) Public Company Limited, 87/2 CRC Tower, 39th Floor, All Seasons Place, Witthayu Road, Lumpini, Pathumwan, Bangkok 10330, Thailand; or Bond Registrar, Bangkok Bank Public Company Limited, 333 Silom Road, Silom, Bang Rak, Bangkok 10500, Thailand. Once the bondholder list has been verified as correct, the electronic meeting provider will send a meeting link and user guide to the email address provided to the Company 1-2 days prior to the meeting.

Notification of Intention to Attend a Meeting via Electronic Media

Bondholders who wish to attend a meeting via electronic media must notify their intention to attend the meeting in 2 ways as follows:

1. Notify their intention to attend the meeting by sending a meeting response form via email.
2. Notify their intention to attend the meeting by sending a meeting response form via post.

1. In case of informing the intention to join the meeting via electronic media by sending information via email or post

1. Please fill in the electronic meeting participation response form by specifying your email and mobile phone number clearly for use in registering to join the meeting
2. Attach a document proving your identity to confirm the right to join the E-Meeting meeting

2.1. Natural persons

2.1.1. In the event that the bondholder wishes to attend the meeting in person via electronic media:

(1) A copy of a valid identification document issued by the government, such as a national ID card or government official ID card, a driver's license, or a passport. In the event of a change of name or surname, please attach the following documents:

2.1.2. In the event that the bondholder grants a proxy to another person to attend the meeting on their behalf via electronic media

(1) A proxy form attached to the meeting invitation letter, filled in correctly and completely, signed by the proxy grantor and proxy holder, and affixed with a full stamp.

(2) A copy of the proxy grantor's identification document issued by the government that has not expired, such as a national ID card or government official ID card, a driver's license, or a passport. In the event of a change of name or surname, please attach the document. Sign and certify that the copy is correct.

(3) A copy of the proxy grantor's identification document issued by the government that has not expired, such as a national ID card or government official ID card, a driver's license, or a passport. In the event of a change of name or surname, please attach the document. Sign and certify that the copy is correct.

2.2. Legal entities

2.2.1. In the event that a person authorized to sign on behalf of a legal entity (director) wishes to attend the meeting in person via electronic media

(1) A copy of the shareholder's certificate of legal entity registration, issued no more than 6 months prior to the date of the bondholders' meeting, certified as a true copy by a representative of the legal entity (director) authorized to sign on behalf of the legal entity.

(2) A copy of the identification document of the legal entity representative (director) issued by the government that has not expired, such as an ID card or government official ID card, driving license or passport. In the case of a change of name - surname, please attach the said document, sign and certify that the copy is correct.

2.2.2. In the case of granting a proxy to attend the meeting on behalf of the proxy via electronic media

(1) A proxy form in the form attached to the meeting invitation letter, filled in correctly and completely, signed by the proxy grantor and proxy holder, and affixed with a stamp.

(2) A copy of the shareholder's certificate of incorporation, issued no more than 6 months before the date of the bondholders' meeting, certified as a true copy by a legal entity representative (director) who has the authority to sign on behalf of the legal entity.

(3) A copy of the identification document of the legal entity representative (director) issued by the government that has not expired, such as an ID card or government official ID card, driving license or passport. In the case of a change of name - surname, please attach the said document, sign and certify that the copy is correct.

(4) A copy of the proxy's identification document, similar to the case of a natural person as mentioned above.

In the event that the aforementioned documents or evidence are not in Thai or English, the shareholder must present an English translation certified by the bondholder or by an authorized person to bind the juristic person (in the case of a juristic person).

3. Register or send a document stating the intention to attend the meeting via electronic media and identification documents with various supporting documents by sending them to

- Legal Department, Dao Securities (Thailand) Public Company Limited, 87/2 CRC Tower Building, 39th Floor, All Seasons Place, Witthayu Road, Lumpini Subdistrict, Pathumwan District, Bangkok 10330 by October 29, 2026 or
- Debenture Registrar Department, Bangkok Bank Public Company Limited, 333 Silom Road, Silom Subdistrict, Bangrak District, Bangkok 10500 by October 29, 2026.
- E-mail channel Legal@daol.co.th
- For more information, please contact the Company Secretary, Begistics Public Company Limited, telephone number 02-096 4999

Participation in the meeting via electronic media E-Meeting via Zoom Meeting system

1. Once bondholders or their proxies have successfully registered their intention to attend the Bondholder Meeting of Begistics Public Company Limited No. 2/2026, and after the Company has received and verified all documents, the meeting organizer, OJ International Company Limited, will send an email containing the meeting link to the email address provided during registration two days prior to the meeting. Please carefully review the user guide for the electronic meeting system. If you

do not receive this email by October 29, 2026, please contact the Company immediately through the channels previously provided.

2. Participation in the meeting and voting via electronic media can be used with all devices, such as computers, notebook computers, tablets and mobile phones via Web Browser: Chrome
3. If you want to maintain the stability of the meeting management We recommend that you use the service via 4G internet or basic home internet or via wifi.
4. Since the meeting management via the E-Meeting system of OJ International Co., Ltd. is a meeting that is integrated with the Zoom Meeting program, therefore, in the event that bondholders have never used the Zoom system or have never installed the Zoom program on various devices, you can download and install it from below https://b.joinvote.com/agm/emeeting/index/1 or QR

iOS system	Android system
https://itunes.apple.com/th/app/zoom-cloudmeetings/id546505307	https://play.google.com/store/apps/details?id=us.zoom.videomeetings

5. The system will open for participants to join the meeting 1 hour or 60 minutes before the meeting starts. The live broadcast of the meeting will start only when the meeting time has been set.
6. To enter the meeting system, participants must use the bondholder account number (bondholder registration number) and reference number (bondholder's national ID card number). Bondholders must enter the meeting by logging in via the link sent to them via the email that they have registered. They cannot share the link with other bondholders to log in to the system with other accounts.
7. Voting via the system (E-Meeting): You can vote for each agenda by voting "agree", "disagree" or "abstain". In the event that you do not vote on any agenda, the system will immediately assume that you vote in agreement (using the method of counting votes by casting votes in favor of agreement).
8. In the event that participants encounter any problems or encounter problems using the E-Meeting system, you can contact OJ International Co., Ltd. at the specified telephone number 063-078 2638 and the E-mail agm@ojconsultinggroup.com that sent the system user manual to you.

Terms and Conditions of the "CALLABLE DEBENTURES OF BEGISTICS PUBLIC COMPANY LIMITED NO. 2/2023 DUE 2026, WHICH THE MATURITY DATE IS EXTENDED (1st Maturity Extension Approved by the Resolution of the Bondholders' Meeting on 30 April 2025)" as amended by Amendment No. 1 pursuant to the resolution of the Bondholders' Meeting No. 1/2025 held on 30 April 2025 (the "**Terms and Conditions**")

Begistics Public Company Limited (the "Issuer") has issued and offered the "CALLABLE DEBENTURES OF BEGISTICS PUBLIC COMPANY LIMITED NO. 2/2023 DUE 2026, WHICH THE MATURITY DATE IS EXTENDED (1st Maturity Extension Approved by the Resolution of the Bondholders' Meeting on 30 April 2025)" (the "Debentures"). The Registrar has sent the notice of the Bondholders' Meeting No. 2/2026 to all Bondholders, inviting them to attend the meeting to be held on 2 November 2026, the details of which are set out in the aforementioned notice of meeting.

In this regard, DAOL Securities (Thailand) Public Company Limited, as the Bondholders' Representative (the "**Bondholders' Representative**"), would like to provide the opinion on the agenda which proposed by the Issuer, in order to assist the Bondholders in exercising their judgment when considering and voting on each agenda, as follows:

No. BHRL-148/2026

Attachment 4

MEETING AGENDA

Agenda 1 **To consider and approve a waiver in respect of the Issuer's failure to (1) close the Register of Bondholders for a period of 14 days prior to the date of the Bondholders' Meeting, and (2) arrange for the Bond Registrar to notify the Thai Bond Market Association at least 7 days prior to the first day of the closure of the Register of Bondholders, such that the foregoing failures shall not constitute an Event of Default under Clause 11.1(c) of the Terms and Conditions; and to consider and approve a waiver permitting the use of the list of Bondholders as at the date of closure of the Register of Bondholders on 18 September 2026, which was the date for determining the Bondholders entitled to attend and vote at the Bondholders' Meeting No. 1/2026, as the date for determining the Bondholders entitled to attend and vote at the Bondholders' Meeting No. 2/2026.**

Opinion of Bondholders' Representative

The Bondholders' Representative is of the view that Agenda 1 concerns a proposal for the Bondholders to consider and approve a waiver of non-compliance with Clause 3.5(a) of the Terms and Conditions, which requires the Issuer to arrange for the Bond Registrar to close the Register of Bondholders for a period of 14 days prior to the Bondholders' Meeting and for the Bond Registrar to notify the Thai Bond Market Association at least 7 days prior to the first day of the register closure.

The proposal also includes a request for approval to use the list of Bondholders as at 18 September 2026, which was the date used to determine the Bondholders entitled to attend and vote at the Bondholders' Meeting No. 1/2026, for the purpose of determining the Bondholders entitled to attend and vote at the Bondholders' Meeting No. 2/2026.

The purpose of the proposed waiver is to allow the Issuer to hold the Bondholders' Meeting No. 2/2026 within the limited time available prior to the maturity date of the Debentures. The waiver is intended to ensure that the meeting procedures and resolutions comply with the Terms and Conditions and applicable laws, and that the resolutions are binding on the relevant parties in accordance with the prescribed requirements. However, the proposed waiver is not intended to amend or alter the Bondholders' rights to receive payment of principal and interest, or any other rights and obligations of the Bondholders under the Terms and Conditions. The Issuer therefore seeks approval from the Bondholders' Meeting for a waiver such that any failure to comply with the aforementioned procedures and time requirements shall not constitute an Event of Default under Clause 11.1(c) of the Terms and Conditions, solely to the extent covered by the waiver approved under this agenda item.

However, the Bondholders' Representative is of the view that a waiver of compliance with the procedures and time requirements set out in the Terms and Conditions may affect the rights of the Bondholders, particularly the rights to attend and vote at the Bondholders' Meeting of those Bondholders whose holdings of Debentures have changed after 18 September 2026.

Furthermore, Agenda 1 is a matter within the authority of the Bondholders' Meeting under the Terms and Conditions. Each Bondholder has the right to consider and vote on this matter at their own discretion. In this regard, Bondholders should consider the relevant facts, the reasons and necessity for the proposed waiver, its potential impacts, the opinion of the Bondholders' Representative, and any other information they deem appropriate in making their decision.

Therefore, **the Bondholders' Representative considers it appropriate to explain** (1) the advantages, (2) the disadvantages, and (3) the potential legal consequences of approving or not approving the agenda as a whole, for the Bondholders' consideration, as follows:

(1) If the Bondholders' Meeting approves the agenda

- the advantages

- Approval of a waiver of non-compliance with Clause 3.5(a) of the Terms and Conditions, together with a waiver such that such non-compliance shall not constitute an Event of Default under Clause 11.1(c) of the Terms and Conditions, would enable the Issuer to convene Bondholders' Meeting No. 2/2026 to resubmit the proposed extension of the maturity date of the Debentures for the Bondholders' consideration, within the scope of the approved waivers and in accordance with applicable laws.

- The Bondholders would have another opportunity to consider the proposal regarding the extension of the maturity date of the Debentures and the Issuer's debt repayment plan prior to the maturity date of the Debentures on 16 November 2026.

- the disadvantages

- The Bondholders would agree to waive compliance by the Issuer with the procedures and time requirements specified in Clause 3.5(a) of the Terms and Conditions, such that such non-compliance shall not constitute an Event of Default under Clause 11.1(c) of the Terms and Conditions in respect of this Bondholders' Meeting.

- The use of the list of Bondholders as at 18 September 2026 may affect the rights to attend and vote at the Bondholders' Meeting of Bondholders whose holdings of Debentures have changed after that date.

- If the resolution is duly approved at the Bondholders' Meeting, such resolution shall be binding on the Bondholders in accordance with the requirements set out in the Terms and Conditions and applicable laws, including Bondholders who did not attend the meeting, abstained from voting, or voted against the resolution.

- legal consequences if the Bondholders' meeting approves the agenda

If the Bondholders' Meeting duly approves this agenda in accordance with the Terms and Conditions and applicable laws, the failure to comply with the procedures and time requirements specified in this agenda shall be waived, and such non-compliance shall not constitute an Event of Default under Clause 11.1(c) of the Terms and Conditions, solely to the extent covered by the approved waiver. Such resolution shall be binding on the Bondholders in accordance with the requirements set out in the Terms and Conditions.

However, approval of this agenda shall constitute only a waiver of the requirements relating to the convening of the Bondholders' Meeting as proposed, and shall not constitute approval of an extension of the maturity date of the Debentures or a waiver of any Event of Default arising from the failure to pay principal and/or interest on the Debentures.

(2) If the Bondholders' Meeting does not approve the agenda

- the advantages

- The Bondholders would continue to be protected by the procedures and time requirements prescribed under the existing Terms and Conditions, without any waiver of compliance with Clause 3.5(a) of the Terms and Conditions or any waiver providing that non-compliance with such requirements shall not constitute an Event of Default under Clause 11.1(c) of the Terms and Conditions.

- The Bondholders would continue to be entitled to exercise their rights under the Terms and Conditions in relation to the determination of the Bondholders entitled to attend and vote at the Bondholders' Meeting, without any approval of a waiver permitting the use of the list of Bondholders as at 18 September 2026 for this Bondholders' Meeting.

- the disadvantages

- The Issuer may be unable to convene Bondholders' Meeting No. 2/2026 as scheduled and may be unable to proceed with the consideration of and voting on the agenda items set out in this notice convening the Bondholders' Meeting in reliance on the waiver proposed under Agenda 1. In such case, the Issuer may need to convene a new Bondholders' Meeting in accordance with the procedures and time requirements prescribed under the Terms and Conditions and applicable laws.

- The Bondholders may not have another opportunity to consider the proposed extension of the maturity date of the Debentures prior to the maturity date of the Debentures. If the Issuer is unable to repay the principal on the scheduled maturity date, this may result in an Event of Default in respect of the Debentures.

- legal consequences if the Bondholders' meeting does not approve the agenda

  If the Bondholders' Meeting resolves not to approve this agenda, the request for a waiver of non-compliance with Clause 3.5(a) of the Terms and Conditions, the request for a waiver providing that such non-compliance shall not constitute an Event of Default under Clause 11.1(c) of the Terms and Conditions, and the request to use the list of Bondholders as at 18 September 2026 for Bondholders' Meeting No. 2/2026 shall not be approved. The relevant provisions and conditions under the Terms and Conditions shall remain in effect as originally prescribed.

  Furthermore, as Agenda 1 concerns a request for approval of a waiver of non-compliance with the procedures and time requirements for convening Bondholders' Meeting No. 2/2026, including the use of the existing list of Bondholders for attending and voting at the meeting, if the Bondholders' Meeting resolves not to approve Agenda 1, this may affect whether the meeting proceedings, including the consideration of and voting on Agendas 2 and 3, comply with the Terms and Conditions and applicable laws. Agendas 2 and 3 concern the extension of the maturity date of the Debentures and the repayment of principal in installments, and the adjustment of the interest rate of the Debentures, respectively. Accordingly, the Issuer may be unable to proceed with the consideration of and voting on the aforementioned agenda items as scheduled for this Bondholders' Meeting and may need to convene a new Bondholders' Meeting in accordance with the procedures and time requirements prescribed under the Terms and Conditions and applicable laws.

  However, the non-approval of Agenda 1 does not automatically mean that the resolutions under Agendas 2 and 3 would have no effect. Whether such resolutions are valid and effective must be determined by taking into account the Terms and Conditions, the requirements governing the convening and conduct of the Bondholders' Meeting, and the relevant facts.

  If such non-compliance with the Terms and Conditions constitutes an Event of Default under Clause 11.1(c) and the conditions prescribed under the Terms and Conditions are satisfied, the Bondholders' Representative shall have the right and duty to take further action in accordance with the Terms and Conditions and applicable laws to protect the rights and interests of the Bondholders.

  In addition, the non-approval of this agenda shall not alter the Issuer's obligations to repay the principal of and pay interest on the Debentures in accordance with the original payment schedule and terms stipulated in the Terms and Conditions.

Agenda 2 **To consider and approve the extension of the maturity date of the Debentures by two years, from 16 November 2026 to 16 November 2028, together with the proposed terms for the installment repayment of the Debentures' principal to the Bondholders and the corresponding amendments to the Terms and Conditions, the Bond Certificates, the name of the Debentures, and other related documents**

Opinion of Bondholders' Representative

The Bondholders' Representative is of the view that Agenda 2 proposes that the Bondholders consider approving an extension of the maturity date of the Debentures by two years, from 16 November 2026 to 16 November 2028. This proposed extension is an additional extension following the extension previously approved by the Bondholders' Meeting on 30 April 2025, which extended the maturity date of the Debentures from 16 May 2025 to 16 November 2026. The proposal also seeks approval for the installment repayment of the Debentures' principal to the Bondholders and the corresponding amendments to the Terms and Conditions, the Debenture Certificates, and other related documents to reflect the aforementioned changes.

The Debentures' principal would be repaid in three installments as follows: (1) THB 7,368,000, representing 10% of the outstanding principal amount of the Debentures of THB 73,680,000, on 16 November 2027; (2) THB 7,368,000, representing 10% of the outstanding principal amount of the Debentures of THB 73,680,000, on 16 June 2028; and (3) the remaining THB 58,944,000, representing 80% of the outstanding principal amount of the Debentures of THB 73,680,000, on 16 November 2028, which is the proposed extended maturity date of the Debentures.

The proposed extension of the maturity date and the installment repayment of the Debentures' principal are intended to align the timing and terms of debt repayment with the liquidity management plan, business plan, and financing plan that the Issuer has explained to the Bondholders, and to provide the Issuer with additional time to implement those plans, secure funding sources, and gradually use the funds obtained to make repayments to the Bondholders in accordance with the proposed terms.

Accordingly, the consideration of this agenda is whether the Bondholders will approve the extension of the maturity date, the installment repayment of the Debentures' principal according to the proposed proportions and schedule, and the related amendments proposed by the Issuer, or retain the existing rights and repayment terms under the Terms and Conditions. The Bondholders should therefore compare (1) the likelihood that the Issuer will be able to implement the proposed repayment plan and (2) the potential impacts if the extension of the maturity date is not approved and repayment obligations must be fulfilled in accordance with the existing Terms and Conditions. Approval of this agenda does not constitute confirmation that the Issuer will successfully implement the proposed plan. Rather, it constitutes approval of changes to the timing, rights, and repayment terms under the Terms and Conditions, subject to the terms approved by the Bondholders, which may increase the likelihood that the Issuer will be able to secure funding and gradually repay the Bondholders in accordance with the

proposed plan. However, this will depend on the Issuer's ability to implement the plan and its financial position in the future.

In this regard, Agenda 2 is a matter within the authority of the Bondholders' Meeting under the Terms and Conditions, and each Bondholder is entitled to exercise its own judgment in considering and voting on this agenda. The Bondholders should consider the potential impacts on their rights to receive repayment and exercise their rights under the Terms and Conditions, taking into account the information and facts, the reasons and objectives for proposing this agenda, the appropriateness of the proposed extension period in light of the proposed repayment plan, the feasibility of implementing such plan, the risks and potential impacts that may arise, the opinion of the Bondholders' Representative, and any other information that the Bondholders consider appropriate in making their decision.

Although Agenda 2 includes the proposed extension of the maturity date of the Debentures, the installment repayment of the Debentures' principal, and the amendments to the Terms and Conditions and related documents, these matters are proposed for approval as a single agenda. The resolution of the Bondholders' Meeting will apply to all proposals under this agenda, including the extension of the maturity date of the Debentures, the installment repayment of the Debentures' principal, and the amendments to the Terms and Conditions, the Debenture Certificates, the name of the Debentures, and related documents, as proposed.

In addition, the consideration and voting on Agenda 2 should take into account the outcome of the consideration of Agenda 1, which seeks approval for a waiver of compliance with the procedures and timeframes for convening the Bondholders' Meeting, including the use of the existing list of Bondholders. This is because, if Agenda 1 is not approved, it may affect the consideration and voting on Agenda 2 under the Terms and Conditions and applicable laws. Furthermore, if the Bondholders' Meeting resolves not to approve Agenda 2, the Issuer will not propose Agenda 3 for consideration and approval by the Meeting.

Therefore, **the Bondholders' Representative considers it appropriate to explain** (1) the advantages, (2) the disadvantages, and (3) the potential legal consequences of approving or not approving the agenda as a whole, for the Bondholders' consideration, as follows:

(1) If the Bondholders' Meeting approves the agenda

- the advantages

- The extension of the maturity date of the Debentures and the installment repayment of the Debentures' principal under the proposed terms may provide the Issuer with additional time and flexibility to implement its liquidity management plan, business plan, and financing plan presented to the Bondholders, which may in turn increase the likelihood of the Bondholders receiving repayment in accordance with the amended terms.

- the disadvantages

- The Bondholders will not be entitled to receive full repayment of the principal on the original maturity date and will have to accept the extension of the maturity date, including the installment repayment of the Debentures' principal according to the revised proportions and payment schedule, which differ from the original terms.

- The extension of the maturity date of the Debentures for an additional two years may expose the Bondholders to the Issuer's credit risk for a longer period. The Issuer's financial position and operating performance may change during the extended period, which may affect its ability to repay the Debentures in accordance with the amended terms.

- Even if the Bondholders' Meeting approves the proposed terms, such approval does not constitute a guarantee that the Issuer will successfully implement its liquidity management plan, business plan, or financing plan. The Bondholders therefore remain exposed to the risk of delayed repayment, incomplete repayment, or non-repayment under the amended terms.

- legal consequences if the Bondholders' meeting approves the agenda

  If the Bondholders' Meeting duly approves this agenda in accordance with the Terms and Conditions and applicable laws, the extension of the maturity date of the Debentures, the installment repayment of the Debentures' principal, and the amendments to the Terms and Conditions, the Bond Certificates, the name of the Debentures, and other related documents as proposed will be approved and become effective in accordance with the resolution of the Bondholders' Meeting and the relevant conditions. The Issuer, all Bondholders, the Bondholders' Representative, and the relevant parties under the Terms and Conditions and applicable laws will thereafter be required to comply with and exercise their rights under the amended Terms and Conditions and the revised terms.

  The approval resolution will be binding on all Bondholders, including those who did not attend the meeting, abstained from voting, or voted either in favor of or against the agenda, in accordance with the requirements set out in the Terms and Conditions and applicable laws.

(2) If the Bondholders' Meeting does not approve the agenda

- the advantages

- The Bondholders will remain entitled to receive repayment of the Debentures' principal in accordance with the original payment schedule and terms under the original Terms and Conditions, without any amendments.

- The Bondholders will not have to accept the extension of the maturity date, the installment repayment of the Debentures' principal according to the new proportions and payment schedule, or the amendments to the Terms and Conditions, the Bond Certificates, and other related documents as proposed.

• the disadvantages

- The non-approval of the proposed extension of the maturity date and installment repayment of the Debentures' principal may leave the Issuer with insufficient time and flexibility to implement its liquidity management plan, business plan, and financing plan as presented to the Bondholders, which may affect its opportunity to secure funding and its ability to repay its debts to the Bondholders in the future.

- If the Issuer is unable to repay the Debentures' principal on the original maturity date, being 16 November 2026, such failure may constitute an Event of Default under the Terms and Conditions. The Bondholders' Representative will have the rights and duties to take actions under the Terms and Conditions and applicable laws to protect the rights and interests of the Bondholders. Such actions may include demanding repayment, declaring all outstanding amounts under the Debentures immediately due and payable (Call Default), as well as taking legal action and enforcement proceedings. However, such processes may take a considerable amount of time, and the outcome of debt repayment will depend on the outcome of the legal and enforcement proceedings, as well as the Issuer's assets and ability to repay its debts. The Bondholders may therefore receive repayment late, receive only partial repayment, or not receive full repayment.

• legal consequences if the Bondholders' meeting does not approve the agenda

If the Bondholders' Meeting does not approve this agenda, the proposals concerning the extension of the maturity date of the Debentures, the installment repayment of the Debentures' principal, and the amendments to the Terms and Conditions, the Bond Certificates, the name of the Debentures, and other related documents as proposed will not be approved. The Terms and Conditions and other related documents will remain in effect in accordance with their existing terms and conditions. The Issuer will remain obligated to repay the Debentures' principal on 16 November 2026, as well as to pay interest and fulfill all other obligations under the existing Terms and Conditions in all respects.

If the Issuer is unable to comply with the existing Terms and Conditions, and such non-compliance constitutes an Event of Default under the Terms and Conditions, the Bondholders' Representative will have the rights and duties to take actions in accordance with the terms and procedures prescribed under the Terms and Conditions and applicable laws to protect the rights and interests of all Bondholders.

Furthermore, the non-approval of this agenda does not alter or diminish the rights of the Bondholders to demand that the Issuer comply with the existing Terms and Conditions, subject to the terms and requirements prescribed under the Terms and Conditions and applicable laws.

Agenda 3 **To consider and approve the amendment to the interest rate of the Debentures from 7.50% per annum to 7.75% per annum, applicable from 17 November 2026 (inclusive) to 16 November 2028 (exclusive), as well as to consider and approve the corresponding amendments to the Terms and Conditions, the Bond Certificates, and other related documents to reflect such change in the interest rate of the Debentures.**

Opinion of Bondholders' Representative

The Bondholders' Representative is of the view that Agenda 3 proposes that the Bondholders consider approving the change in the interest rate of the Debentures from 7.50% per annum to a new interest rate of 7.75% per annum, applicable from 17 November 2026 (inclusive) to 16 November 2028 (exclusive), as well as approving the corresponding amendments to the Terms and Conditions, the Bond Certificates, and other related documents to reflect such change in the interest rate of the Debentures. The increased interest rate is related to the extension of the maturity date of the Debentures under Agenda 2 and will apply only during the extended period under that agenda.

Accordingly, the consideration of this agenda is whether the Bondholders will approve the increase in the interest rate of the Debentures for the extended maturity period under Agenda 2 as proposed, or retain the existing interest rate under the Terms and Conditions. The Bondholders should therefore compare (1) the increased interest rate to be received for the extended maturity period under Agenda 2 and (2) retaining the existing interest rate under the Terms and Conditions, under which the interest rate would not be increased as proposed under this agenda. Approval of the proposed increase in the interest rate does not constitute confirmation that the Issuer will be able to pay interest in full at the proposed rate and within the proposed payment schedule.

In this regard, Agenda 3 is a matter within the authority of the Bondholders' Meeting under the Terms and Conditions, and each Bondholder is entitled to exercise its own judgment in considering and voting on this agenda. The Bondholders should consider the potential impacts on their rights to receive repayment and the return on the Debentures, taking into account the information and facts, the reasons and objectives for proposing this agenda, the appropriateness of the proposed increase in the interest rate for the extended maturity period under Agenda 2, the Issuer's ability to pay interest at the proposed rate, any potential impacts, the opinion of the Bondholders' Representative, and any other information that the Bondholders consider appropriate in making their decision.

In addition, the consideration and voting on Agenda 3 are related to the outcome of the consideration of Agenda 2. In accordance with the conditions specified in the Notice of the

Bondholders' Meeting, if the Bondholders' Meeting resolves not to approve Agenda 2, the Issuer will not submit Agenda 3 to the Bondholders' Meeting for consideration and approval.

Therefore, **the Bondholders' Representative considers it appropriate to explain** (1) the advantages, (2) the disadvantages, and (3) the potential legal consequences of approving or not approving this agenda, on the condition that Agenda 2 has been approved, for the Bondholders' consideration, as follows:

(1) If the Bondholders' Meeting approves the agenda

- the advantages

- The Bondholders will be entitled to receive an increased interest rate from 7.50% per annum to 7.75% per annum for the extended maturity period under Agenda 2, which will result in an increased return on the Debentures during such extended period.

- The increased interest rate represents an additional return for the Bondholders during the period in which they are required to continue holding the Debentures as a result of the extension of the maturity date of the Debentures under Agenda 2.

- the disadvantages

- Although the Bondholders will be entitled to receive interest at an increased rate, such increase in the interest rate does not reduce the risks relating to the Issuer's ability to repay its debts and may increase the Issuer's interest obligations, which may affect its liquidity and ability to repay its debts in the future.

- Although the Bondholders' Meeting approves the proposed increase in the interest rate, such approval does not constitute confirmation that the Issuer will be able to pay interest and repay the principal in accordance with the amended schedule and terms. The Bondholders therefore remain exposed to the risk of receiving repayment late, receiving only partial repayment, or not receiving any repayment at all.

- legal consequences if the Bondholders' meeting approves the agenda

  If the Bondholders' Meeting approves this agenda in accordance with the Terms and Conditions and applicable laws, the increase in the interest rate of the Debentures from 7.50% per annum to 7.75% per annum for the extended maturity period under Agenda 2, together with the corresponding amendments to the Terms and Conditions, the Bond Certificates, and other related documents as proposed, will be approved and become effective in accordance with the resolution of the Bondholders' Meeting and the relevant conditions. The increased interest rate will apply only during the extended maturity period under

Agenda 2 and only if the extension of the maturity date of the Debentures under Agenda 2 is approved and becomes effective.

The resolution, if duly approved in accordance with the Terms and Conditions and applicable laws, will be binding on all Bondholders, including those who did not attend the meeting, abstained from voting, or voted either in favor of or against the agenda, in accordance with the requirements set out in the Terms and Conditions and applicable laws.

(2) If the Bondholders' Meeting does not approve the agenda

- the advantages

- The non-approval of the proposed increase in the interest rate will result in the interest rate of the Debentures remaining at 7.50% per annum in accordance with the existing Terms and Conditions, without increasing the Issuer's interest obligations. This may help reduce the Issuer's financial burden compared with the case where the proposed increase in the interest rate is approved, and may benefit the Issuer's liquidity management and ability to repay its debts in the future.

- the disadvantages

- The Bondholders will not be entitled to receive the additional return resulting from the increase in the interest rate to 7.75% per annum for the extended maturity period under Agenda 2.

- legal consequences if the Bondholders' meeting does not approve the agenda

If the Bondholders' Meeting does not approve this agenda, the interest rate of the Debentures will remain at 7.50% per annum under the existing Terms and Conditions, and the proposed amendments to the Terms and Conditions, the Bond Certificates, and other related documents under this agenda will not become effective.

The non-approval of Agenda 3 will not affect the resolution approving Agenda 2. The extension of the maturity date of the Debentures, the installment repayment of the Debentures' principal, and the amendments to the Terms and Conditions and other related documents under Agenda 2 will remain subject to the resolution of the Bondholders' Meeting and the relevant conditions.

The resolution not to approve this agenda, if duly passed in accordance with the Terms and Conditions and applicable laws, will be binding on all Bondholders, including those who did not attend the meeting, abstained from voting, or voted either in favor of or against the agenda, in accordance with the requirements set out in the Terms and Conditions and applicable laws.

No. BHRL-148/2026

Attachment 4

The Bondholders' Representative would like to inform the Bondholders that this opinion of the Bondholders' Representative has been prepared based on the facts and information received by the Bondholders' Representative as of 12 October 2026 and is intended solely to provide information for the Bondholders' consideration. It is not intended to influence or prescribe how the Bondholders should vote. The consideration and decision on voting for each agenda item are at the discretion of each Bondholder. The Bondholders should consider the relevant information, facts, and potential impacts in making their decisions as they deem appropriate.

In this regard, the Bondholders may attend the Bondholders' Meeting and exercise their voting rights in person. Alternatively, if they are unable to attend the meeting in person, they may appoint the Bondholders' Representative or any other person of their choice as their proxy to attend the meeting and vote on their behalf, in accordance with the procedures and conditions specified in the Notice of the Bondholders' Meeting and the accompanying Proxy Form.

Please be informed accordingly.

Yours sincerely,

(Mr. Piyavit Pothipeanthong)
DAOL Securities (Thailand) Public Company Limited
as the Bondholders' Representative, for the benefit of
all Bondholders
